Volume 209 - - July 2018

July President's Message

July is here and all of the usually good fishing areas are not fishing well, or do not have enough water to support the fishery. June's fishout was at Indian Creek, with 3 members showing up. The fishing was not good. The club will not be sponsoring a fishout this month. That doesn't mean you can't call a friend and head out anyway!

A few members answered the call to help out at the Cancer Resource Center on Sunday, June 3rd. We demonstrated tying to those in attendance who were interested. Kudos to Ken Briscoe for putting together this demonstration and stayed for the duration of the event.

The Board agreed at our May board meeting to help NDOW purchase a 4 stroke Honda water pump. The club invested \$250, and in June delivered this pump from a local supplier. This will be used to pump water into the hatchery trucks when planting fish. Thanks to Bill Hammons for donating his time and expertise to follow up on this.

The Carson Fly Fishing Club general membership meeting for July will be at the Conklin's house (map attached), on Tuesday, July 10th, from 6:00pm to 9:00pm, and it will be a family and friends event! We will be barbecuing burgers, hot dogs, and ribs. The club will supply the meat, buns and condiments. If you want to bring food, we suggest last name A-L bring side dishes/chips, M-Z bring desserts. We will have water on ice. You are welcome to bring other beverages for your family, or to share. We will still have the Fly-ffle; if you want to participate, bring 2 flies. One will be put into our general raffle and the second fly will go into a separate drawing for any members who tied flies.

The Washoe County Senior Games are coming up in August, and fly casting events will be happening. Further information is provided in this month's newsletter.

Looking forward to seeing you and your family at the family barbecue! David Conklin

John Walsh

If you haven't heard by now, the road up Ash Canyon is open to the Hobart Trailhead. Hobart Reservoir is open and fishing well!!!!!! It's best fished from a float tube and sheep creek or leech patterns seem to be the go-to flies.

Bring a pair of flies for the **FLY-FFLE**

2018 SENIOR GAMES / FLY CASTING INFORMATION

Thursday, August 30, 2018

6:00 PM – 9:00 PM

Neil Road Recreation Center Gym

3925 Neil Rd

Reno, NV 89502

(775)334-2366

Host: Bill Hammons nauticalempire@charter.net 775-887-1027

Men's and Women's
Skills, Accuracy & Distance

BASICS:

Fly Casting will be held in the Neil Road Recreation Center Gym. Competitors will be divided by groups of men and women, and by age, based on the number of entries.

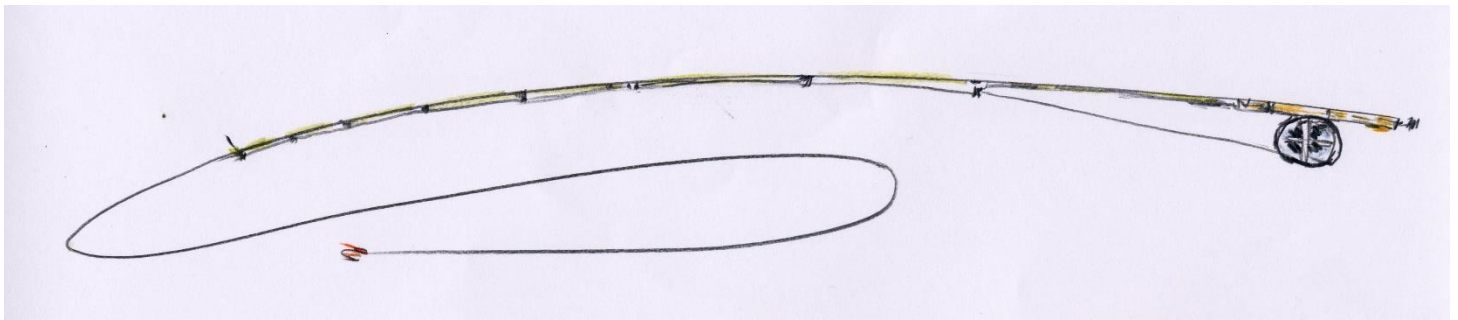

There are three independent fly casting events for the 2018 Summer Games.

All of the events will be conducted with 3wt fly rods.

1. Accuracy – Participants will cast toward round targets (hula hoops) placed on the ground with points awarded for casts landing in the targets.
2. Distance – Participants will cast for distance five times. The three longest casts will be combined for their total score.
3. Speed – Participants will cast to a variety of set targets, varying sizes and shapes, with points awarded for accuracy.

Fly rods will be provided. Each event will be contested with the same 3wt rod.

All participants are welcome to practice with their own fly rods before the competition begins, but will not be allowed to utilize their own equipment during any of the three contests.

Hwy 395 south, turn right on Jacks Valley Road (at Target shopping center). Fifth street on your right is Cherokee Drive. Last house on the right.

3679 Cherokee Drive Dave/230-3975, Deb/230-3974
