Volume 15 - - -March 2012

PRESIDENT'S MESSAGE

I would say we are looking forward to Spring this month, but it doesn't seem like we had a Winter this year. Needless to say, the waters are opening up and the weather is cooperating, so I hope you have had a chance to go fishing this year.

We spent a bit of time at our last board meeting working on dates and locations for our club fishouts. Frenchmans Reservoir is replacing Twin Lakes as our May campout. It has been fishing well, and has several campgrounds that open on May 15th. The 19th of May would be our Saturday club fishout, with camping possible starting on Thursday the 17th.

Koop has volunteered to check out the costs of a projector camera. The purpose would be to use during our tying demonstrations. We would then be able to record the sessions for distribution on CD's.

Most of the Tiers Cabins will be scheduled on the Thursday, the week before the fishouts. So for March, the Tiers Cabin will be on the 22nd, with the fishout at North Pond on the 31st.

If anyone has a speaker they would like to recommend for our monthly meetings, please contact me or any board member. We are trying to stay with waters, or club fishouts, as our meeting topics.

The remainder of our general meetings will be at the Carson City main fire station on Stewart Street. A reminder to those who haven't paid your 2012 dues, they are due ASAP.

Hope you can make the meeting. We don't have a speaker lined up, but we will figure out something for entertainment. Don't forget the FlyFle, it's been a great way to collect flies.

Dave Conklin, President.

This will be the **last newsletter** for those of you who have not paid your dues. If you wish to remain on our email list, please submit your dues at Wednesday's meeting.

This month's, and the rest of the year's regular meetings will be at the Stewart Street main fire station. (Just South of 5th street)

February 2012

Minutes of the Board Meeting 2/29/12

Roll: D. Conklin (Pres), J. Koop (V Pres) , E. Walsh, C. Steele (Secty), P McIlwee (Tres),B. Hammons, E Latour, M York, R Brehm

The meeting was primarily focused on assigning a schedule for fishouts, and beginning the process of choosing speakers. Craig pointed out that we may get more interest from the public if notice of fishouts and speakers can be included in the Nevada Appeal. Work assigning speakers and fishouts will continue. See the calendar below for the fishout schedule.

Several highly qualified speakers were considered. More discussion will be held to schedule them.

CFFC Nevada Trout Challenge... Fishing for Pyramid Lake Cutthroat trout may be too much of a specialized effort. Special gear etc. So the board decided to make certificates available to any member who catches 5 of the 6 "native" fish. So a member needs 5 out of cutthroat, rainbow, tiger, bowcut, brown, or brook trout in order to get the certificate. (Remember, each must come from a different body of water.)

The board directed Koop to investigate the cost of acquiring a digital movie camera to enable big screen viewing of fly tying demos. Koop should report back at the next board meeting.

The board approved (Moved by Ernie/2nd Paul) to contribute \$100 to the Kid's Fishing Derby in Gardnerville, June 2-3.

Calendar

Mar 5, 9, 12, 16, 26, 30 - Stan's Fly Tying Class - CC Sheriff's office 7:00 PM

March 7 Regular Club Meeting at the **Stewart Fire Station**
