**Volume 15- - February 2017**

## President's Message

### Your Board

President: Stan Zuber

VP: Ed Latour

Treasurer: Ken Briscoe

Secretary: Vacant

Vic Acopian

Rob Brehm

Dave Conklin

Bill Hammons

Craig Steele

Ernie Walsh

## February Meeting – New Location

Because of Valentine's Day, the February meeting will be held on Feb 15<sup>th</sup>, which is a Wednesday. The new location is at the Carson Municipal Airport, 2600 College Parkway. It is just east of Lompa, and the Fire Station. The meeting will be in the Terminal Building, which is the main building at the head of the entry drive. Park anywhere. Subsequent meetings will also be held here.

Our program this month will be Kurt Redmond, demonstrating the assembly of some of his big fish producing flies.

## November Meeting - Elections

Last November, we held elections. The results are above, under "Your Board". Please give these folks your support, suggestions, input into possible club functions, and any criticisms. Note that the Secretary position is vacant. A volunteer is necessary to continue communications from the board.

## Anniversary

An interesting fact was reported at the last Board meeting. As of this coming November, the Carson Fly Fishing Club will be 20 years old. Pretty amazing. And, we still have several of the original Charter members. Congratulations to the Club!

## Fishouts

The February Fishout will be held at Hinkson Slough again. The opener is on Saturday, February 11<sup>th</sup>. The fishout, per tradition will be the following Saturday, Feb 18<sup>th</sup>. Several folks will fish the opener, so call around to hear a report, or check the corkboard on our website. NDOW has planted both Hinkson and North Pond, so there is an alternative if your first choice isn't productive.

## Spooner Lake Survey

Please take time to complete this survey regarding enhancing Spooner Lake. Naturally we hope you will list fly fishing at the top of your recreational priorities. After clicking on the link below a photo of Spooner will appear in the article. Below the picture is the link to the survey. **Survey deadline is January 31.**  
Thank You...Your Carson Fly Fishing Board

## Fishing Reports:

I haven't heard about anyone fishing recently. Perhaps the cold winter is to blame. Certainly the closure of Pyramid has had a negative effect. Keep your spirits up. Spring fishing is around the corner.

## Calendar [\(See also the google calendar on the website\)](#)
