September 2019 President's Message

The Summer fishing season is winding down, but Fall fishing is almost here! Heenan Lake opened September 1st, and Pyramid Lake opener is right around the corner, October 1st. Hope everyone was able to get out this season and wet a line.

Our next general meeting will be on Tuesday, September 10th at 7:00PM, in the Ormsby Room of the Sheriff's Office on Musser Street in Carson City. Liz Weirauch, fishing guide (extraordinaire) and owner of Angler's Edge in Gardnerville will be speaking on "A Little Bit of Everything." You won't want to miss this opportunity to hear Liz's stories.

Our very own Bill Hammons just won the honor of 2nd place for the stimulator fly in the Fly Fishers International Fly Tying Challenge. Congratulations Bill! He has proposed fly tying classes for members wanting to complete their Bronze Award Flies for Flyfishersinternational.org. Let us know if you are interested, date pending.

Bill also sponsors the "Fish Ten Waters Certificate". Fish ten different bodies of water throughout the year and receive a certificate. Let Bill know where you have been fishing, and he will present you with a certificate for your achievement.

The board was contacted by Alex Anderson, who was interested in donating a large amount of fishing gear to the club. A big thank you to Alex, as well as to Brenda Hammons, who is listing some of the gear on EBay, to raise money for the club.

Don't forget our Annual Banquet! Save the date...November 23, 2019, at the Gold Dust West. There will be great food, fun and a silent auction, so let's get our family and friends interested, and sell lots of tickets. It's a great way to introduce people to our club and to gain new members. The club doesn't make any money on the dinner itself, but our raffle and silent auction are good ways for the club to raise money to fund our endeavors to educate our members, as well as promote fly fishing to the general public. We are still looking for silent auction items (fishing and non-fishing related), and we appreciate any donations, as well as cash or gift card donations. You can bring these items to the club meeting.

Craig Steele has given us the club library "inventory", consisting of fishing books and videos. The board has decided to make these items available for drawings at the general meetings. Make sure to buy tickets at Tuesday's meeting and win some great fly fishing resources. Hope to see all of you at the meeting!
