Volume 231 – February 2021

President's Message

Welcome all to 2021! I hope everyone survived 2020; I know I am ready for a fresh start with this New Year. I for one have spent time tying and organizing flies for upcoming fishing adventures, and I hope you were able to do the same.

Our January 2021 board meeting has been moved to 6:00pm, February 9, at the sheriff's office, prior to the general meeting. On the agenda will be discussion regarding events and awards that have been postponed or cancelled altogether. There are awards which we normally recognize at our annual banquet, which was cancelled for 2020. We have discussed having a special gathering where we can get together and present these awards. We will bring that up at the board meeting as well.

The Ormsby Meeting Room at the Carson City Sheriff's Office is once again available for our general membership meetings. There is a limit of 25 people, and masks are required. Our primary topic for the meeting will be Hinkson Slough, which will be opening for the season on Saturday, February 13th. I talked to the people who oversee the Mason Valley Management Area and they informed me that Hinkson will be the only waters available to fish at this time. We will also be discussing the upcoming late winter/spring fishing season. Raffle tickets will be available, \$1/ticket, or \$5/6 tickets. Don't forget the Fly-fle; bring two flies to participate.

We extended the annual Reel for Early Membership to the February 2021 meeting. What this means is, if you join/renew your membership by our General Meeting on February 9, 2021, you will be entered in our annual drawing for a new reel, to be awarded at the February 2021 meeting.

I have heard from members who have been trying their luck at Pyramid since it opened in November. I have not ventured there myself this season, but it sounds like there have been some good days and some nice-sized fish to be caught.

Hope to see everyone at our general meeting this Tuesday evening!

Dave Conklin

President

Don't forget to bring two flies to the next club meeting for the

Fly-file!!

We are always looking for pictures for our website! We can walk you through uploading them directly, OR, you can email or text them to Debby (davdebkel@aol.com. 775-230-3974), and she will set up your own album on our club website, and add your pictures to it.

2021 CFFC Board
