Volume 205 - - April 2018

April President's Message

We are finally seeing some beautiful Spring weather. I hope you are getting out and enjoying it, even if you aren't fishing. Our April fishout at Hinkson Slough was successful for those in float tubes and boats; anyone fishing from shore caught very few, while those in boats did well. About 12 members showed up.

Since the fishing reports coming out of Pyramid Lake are not looking good, our fishout this month has been changed from Pyramid to Frenchman's, on April 14th. For those of you who are interested in driving up together, we will be meeting at the McDonald's on North Carson Street at Winnie Lane, leaving for Frenchman's at 6:00am. If not, we will be gathering at the boat dock at Frenchman's. We are planning a barbeque for this fishout.

Be sure to mark your calendars for the weekend of May 19th-20th for our annual Family Campout/Fishout. The fishout is actually on the 19th, but some members set up camp as early as Thursday and stay through Sunday.

Stan's Basic Fly Tying Academy begins Monday the 9th at 6:30. Contact Stan at 671-2151 for details.

We are having a Tier's Cabin at my house on Thursday, April 12th at 7:00 PM. We will be tying a Psychedelic Prince. Call me for directions 775-230-3975, or see map at the end of this newsletter.

Members of our club will be joining a club from the Southwest Council at Crowley Lake (north of Bishop, CA) for a fishing competition. Bill Hammons has more information if you are interested; catch up with him at our general meeting.

Our next general meeting will be on Tuesday, April 10th, at the Carson City Airport Administration Building, at 7:00 PM. Bill Hammons will be doing a fly tying demo. Remember to bring 2 flies for the Fly-FFLE. One will be put into our general raffle and the second fly will go into a separate drawing for any members who tied flies.

Looking forward to seeing you at the meeting and/or on the water! David Conklin

The next general meeting is Tuesday April 10th

Bill Hammons will be doing a Fly Tying Demonstration.

Bring a pair of flies for the ***FLY-FFLE***

What's the 'Fly-ffle'???

All fly tiers are encouraged to bring a pair of flies for the 'Fly-ffle' drawing. One fly goes into a bucket and a ticket is drawn for those attending who bought tickets toward the general raffle prizes. The second fly goes into a separate drawing for those members who contributed flies toward the Fly-ffle. All levels of tiers are welcome to participate. We have shared this idea with other IFFF club's and many in Southern California have now made this a part of their meetings.

We have our webpage updated and running. Ask about uploading pictures (of the one that got away!) In the meantime, you can check it out at www.carsonflyfish.club.

Don't forget to check the website calendar for dates and locations of our future fishouts and other club activities.
