Volume 15- - October 2016

President's Message

Greeting!

Well if you missed the September fishout on the Truckee then you missed catching a whole lot of fish! We had 5 members attend and more fish caught then we could count!

Just a few pictures from the Truckee fishout! Club members Mike and Hunter had a great time catching fish all day long!

Pyramid is now open! Haven't gotten to many reports yet about the Oct. 1st opener but I have seen a few fish caught that were posted on Facebook. This month there is no official fishout but a few of us are hiking into Kirman Lake on Sunday Oct 9th. Come to the general to get more information.

Finally, it's Fall and feeling like Winter! This is a great time to get on the water and fishing. Call someone up and go find a place to wet a line!

Jason Koop, CFFC President 2016

Banquet News

Tickets are on sale in NOW! The date is November 12. We are going to need raffle prizes again this year. If you can get the donations, that is great. If you have suggestions for others to pick up.... Let us know. Perhaps a board member can do the big ask!

October Meeting

Our next meeting will be at 7:00 PM on October 11th at the Carson City Sheriff's office. This month's program will be a presentation on the Utah and Wyoming trout slam. Good info and lots of fun!

Capital Fly Tiers Guild

The next gathering of the guild will be Tuesday, October 18, at President Koop's House. The fly for the night is still to be determined, look for the Guild newsletter soon.

2016 IFFF Fly Tying Contest

It's time to start tying your flies to enter in this year's contest. The **deadline is October 11th** As indicated earlier, there are advanced, intermediate and youth divisions, and each division has several flies from which to choose your entry.

Here's the link: <http://www.carsonflyfishingclub.com/files/2016SWCFlyTyingContest.pdf>

If you have additional questions, concerns or comments, please submit an email to: 2016SWCFlyContest@charter.net. (Or you can ask Bill H)

Participation so far is light, so get started tying and submit your entries!

Coming Events

The SWC IFFF Fly Fishing Faire in Bishop is October 14-16th, 2016. This is a fun and informative event. Improve your tying, casting, and fishing with free and or low cost clinics and seminars. The more popular seminars are filling, but there are others which still have room. Several CFFC members will be going down for the event.

Join the fun!

Website

Our website is live. Go to www.carsonflyfishingclub.com. We have lots of great links on the links page, tutorials, videos, materials, streamflows, reservoir levels etc. And there is a member's only area with the corkboard for your fishing reports, gear need or sale notices, etc. To log in on the members only page, use your email address for the username (it will be checked against our current roster), and “tieafly” as your password. We will all have the same password. As you will notice, we haven't fully stocked the site yet. The photos have not been posted, and many more archived newsletters will be uploaded. If you have a favorite website or two which you would like links to on our website, let me know. If there is any other facility you would like included on our website, we can work on that too. Now is the time to provide your suggestions.

Fishing Reports:

Check out the Members Only Corkboard for more reports.
