President's Message

Happy New Year!

I hope everyone had a wonderful holiday, and that one of your New Year's Resolutions was to Fish More! Our first fishout is being planned for Saturday, January 20, at Pyramid Lake. We are planning a barbeque for this event.

At our next general Meeting, February 13th, we will be planning our club fishouts for the coming year. Come to the meeting with your ideas and your suggestions! Opening Day for Hinkson Slough is Saturday, February 10th. A few members are talking about hauling their campers out for the weekend, as done in years past.

It has been a few years, but watch for the "re-opening" of the 'Tiers Cabin'. We will be tying flies that will be appropriate for the waters we will be fishing at that particular month's fishout.

In the works are also awards for our fishouts...this month it will be tied to clean-up detail after the barbeque at Pyramid Lake.

We have a new Carson Fly Fishing Club Web Page ready to go live. I hope you will utilize the information provided, and also send pictures to add to the web page album. Detail forthcoming.

Hope to see you all at Pyramid this Saturday, and/or at our general meeting on February 13th!

Bring a pair of flies for the *FLY-FFLE*****

What's the 'Fly-ffle'???

All fly tyers are encouraged to bring a pair of flies for the 'Fly-ffle' drawing. One fly goes into a bucket and a ticket is drawn for those attending who bought tickets toward the general raffle prizes. The second fly goes into a separate drawing for those members who contributed flies toward the Fly-ffle. All levels of tyers are welcome to participate. We have shared this idea with other IFFF club's and many in Southern California have now made this a part of their meetings.
