Volume 203 - - February 2018

### February President's Message

For those of you who missed our first fishout of the year, you unfortunately missed out on the club's BBQ. Mike York prepared a very tasty Chile Verde Dish, and Rob Brehm manned the dogs on the BBQ. The good news for you is, you didn't miss out on catching fish. Out of 9 members attending, no fish were caught, no pull downs and no grabs.

February 10th is the opener at Hinkson Slough. In years past, we've had our club fishout the following weekend. This year our fishout will coincide with opening day at Hinkson. So mark your calendars for the 10<sup>th</sup>, or bring your trailer and stay the whole weekend!

We have our website updated and running. We have presented it to the board and are testing the ability to access and get new pictures to your own folder. Information will be presented at our next general meeting, Tuesday the 13th. In the meantime, you can check it out at [www.carsonflyfish.club](http://www.carsonflyfish.club) (please note the change in the web address),

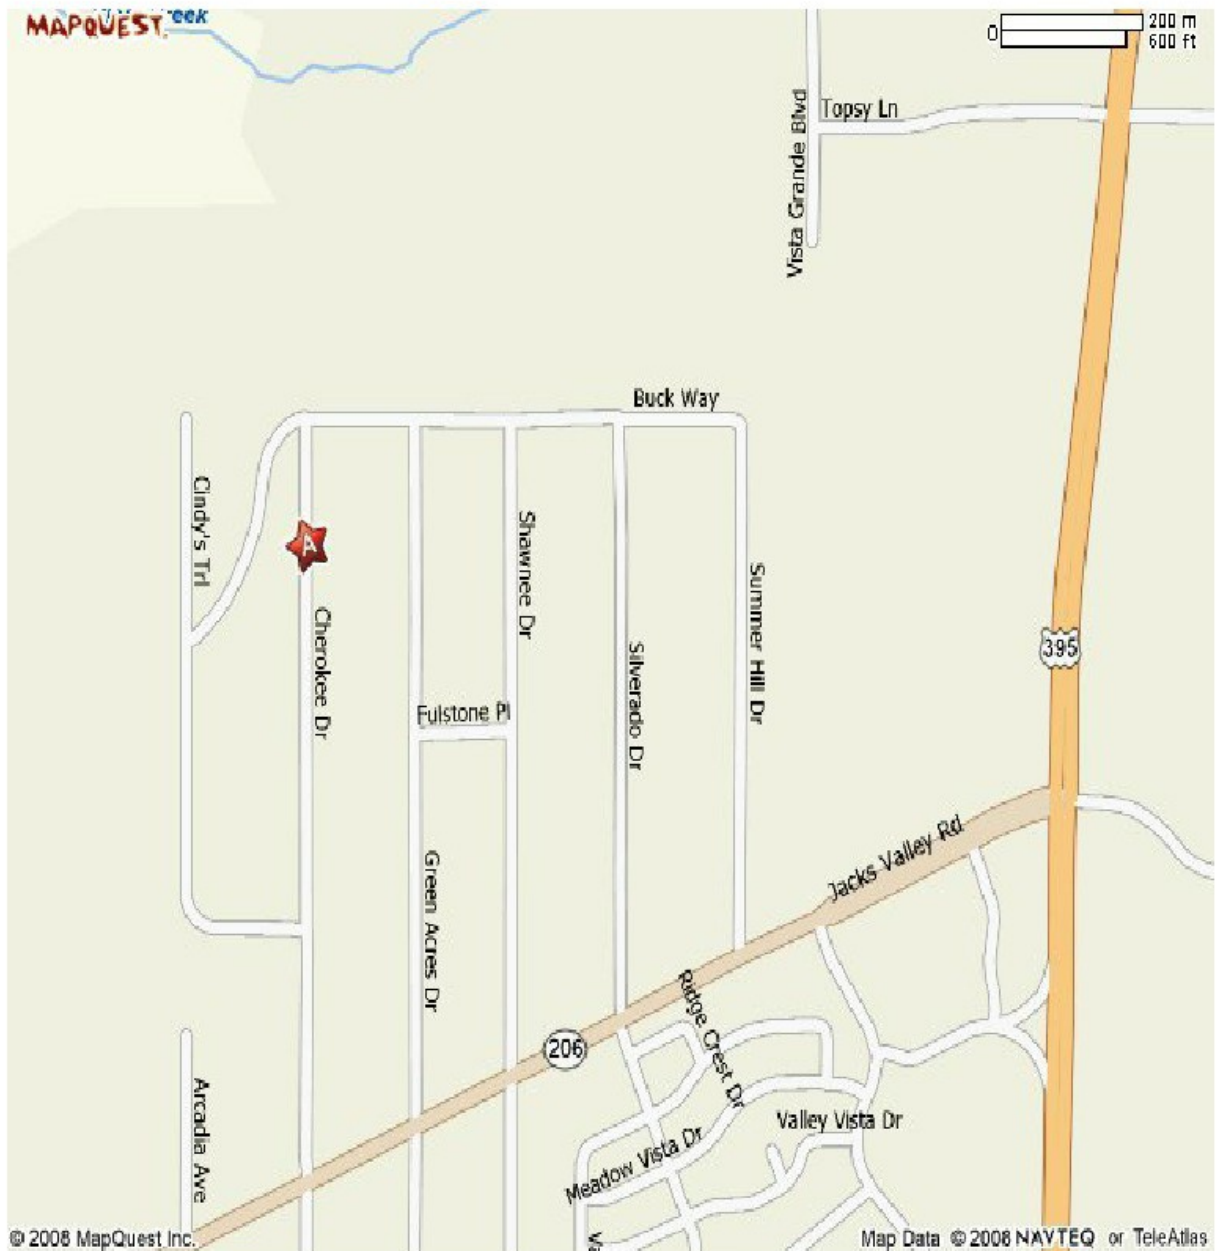

At our February meeting we will be deciding on fishout dates and locations for the 2018 year. Be involved and suggest waters you are interesting in pursuing. We are trying to bring back the days of regular fishouts with a BBQ included.

After several years of not having the Tier's Cabin, I'm bringing it back. In February, there will be one on Wednesday the 7th from 7:00 until 9:00pm. I will be providing a map to my house. We will be tying flies for our fishout at Hinkson Slough on the 10th.

Don't forget that we're still doing the Fly-FFLE; bring 2 flies.

One will be put into our general raffle and the second fly will go into a separate drawing for those members who tied the flies.

## **What's the 'Fly-ffle'???**

All fly tyers are encouraged to bring a pair of flies for the 'Fly-ffle' drawing. One fly goes into a bucket and a ticket is drawn for those attending who bought tickets toward the general raffle prizes. The second fly goes into a separate drawing for those members who contributed flies toward the Fly-ffle. All levels of tyers are welcome to participate. We have shared this idea with other IFFF club's and many in Southern California have now made this a part of their meetings.

**Remember To Renew Your 2018  
Nevada Fishing License - They  
Expire On February 28<sup>th</sup>.**

**The next general meeting is
