Volume 230 – November 2020

### President's Message

November is typically our last general membership meeting for the year. However, due to Covid19, social distancing requirements, and lack of fishing opportunities, the Board has voted to postpone our general meeting until February 2021. Our next board meeting is planned for January 26, 2021. On the agenda will be discussion regarding events and awards that have been postponed or cancelled altogether. There are awards which we normally recognize at our annual banquet, which is cancelled for 2020. We have discussed having a special gathering where we can get together and present these awards. We will bring that up at the January board meeting as well.

We have extended the annual Reel for Early Membership to the February 2021 meeting. What this means is, if you join/renew your membership by our General Meeting on February 10, 2021, you will be entered in our annual drawing for a new reel, to be awarded at the February 2021 meeting.

Our next Club Meeting will be **Tuesday, February 9**, (no meeting Nov, Dec, or Jan) at the Carson City Sheriff's Office, at 7:00 pm. We will update you as to mask requirements prior to that meeting. We will have our regular raffle, as well as the "Fly-fle".

The word is out on Pyramid and how it is fishing. One word: DEEP. The fish are deep. Daily fishing licenses are \$24/\$28...I have heard both. You will need to check with the Tribe, or go online to find out.

I have missed our fishouts, club barbeque, our annual banquet, and I will miss our monthly meetings. I am looking forward to making plans for 2021! February is the opening of Hinkson Slough. I am definitely looking forward to a long weekend or two out there. I wish you all a Happy Thanksgiving, Merry Christmas, Happy New Year and much joy thru the coming holiday season. See you after the first of the year! Dave Conklin, President
