Volume 212 - October 2018

October President's Message

Now that our cooler weather has (finally) arrived, it's time get out and wet a line. The latter part of September showed three of us that the fish at Knott Creek Reservoir were starting to fatten up for winter. We were able to land approximately 200 fish between the three of us, with many more getting off by a long distance release.

Frenchman's Lake is one lake to start thinking about fishing this fall. It was slow on Friday the 5th, but should be picking up with the cooler weather. I do know a few members have started fishing Pyramid Lake, which opened for the season on October 1st. Latest word is that Monument is not yet open; Warrior Point is the furthest north it is open. The road work is supposed to be done by 10/20/18.

Bill Hammons will be giving us a presentation on strategies and techniques on the water: setting up your rig, stripping, dry lining and indicating. He will be answering any questions you may have on these subjects.

It's time to start thinking about the Fisherman of the Year award. Included in this newsletter is a form each member can use to present to the board. Please give your input on this. Your nomination for Fisherman of the Year should be a person you feel has shown individual achievement with significant results towards education, habitat or conservation or enhancement of fisheries or fly fishing within the state of Nevada or the Eastern Sierra of California. The award will be announced and presented at our Banquet in November.

We will have Banquet tickets available at the October meeting, with choices of Prime Rib, Chicken Marsala, and Salmon. Our venue will again be at the Gold Dust West in Carson City; the cost will be \$35.00 per person.

We are still looking for members who will tie flies for the silent auction to donate to our banquet. If you have other items to donate for the silent auction or the raffle, please contact Bill Hammons.

Hope to see you at our meeting this Tuesday, October 9th, at the Carson City Sheriff's Office. Don't forget to bring 2 flies if you want to participate in the Fly-FFle.

Proposal

Carson Fly Fishing Club's- Fly Fisher of the Year

Purpose of the Award-To bestow richly deserved honor on the individual for achievement of significant results towards either education, habitat restoration, conservation or enhancement of fisheries or fly fishing within the state of Nevada or the Eastern Sierra of California.

Frequency of Award- Present to one individual annually at the Carson Fly Fishing Club Banquet.

Judging Criteria-Selection of the winning nominee will be made solely from the official Fly Fisher of the Year nomination form and attachments.

The following criteria will be considered in evaluating nominees:

- A. Time and depth of commitment to education, habitat restoration, conservation or enhancement of fisheries or fly fishing within the state of Nevada or the Eastern Sierra of California.
- B. Influence of the person on the public and in presenting positive public relations in regard to enhancement of fisheries or fly fishing within Nevada or the Eastern Sierra.
- C. Quantity and quality of measurable results of enhancement of fisheries or fly fishing.
- D. Obstacles, difficulties and personal sacrifice involved in meeting enhancement of fisheries or fly fishing goals.

Nominations- Nominations will be accepted only from Carson Fly Fishing Club member in good standing in August by the Board.

Selection- The Carson Fly Fishing Club Board will determine the winner of the award by unanimous vote of the Board members during the September Board meeting.

Award- The winner of the award will receive two tickets the Carson Fly Fishing Club's annual banquet and will be awarded a fly plate or plaque with the name of the winner on the award.
