Volume 213 - November 2018

I hope everyone is getting out and doing some Fall fishing. The weather is absolutely perfect for getting out to wet a line, even if the fish aren't biting yet. Remember, if landing a fish was an absolute, it would be called "catching" instead of fishing! Perfect time to be practicing your casting. For the past several weeks, we have been trying to "find" the fish. Lately, Pyramid is starting to show some action, with the fish getting up into the shallow waters.

We will be nominating/electing our new officers and board at our next general meeting, November 13th. Our board is open to all members. If you are interested in getting or discussing ideas for our club, please feel free to attend one of our board meetings, and have some pizza as well!

This is our last call for our 2018 Annual Banquet. In years past we have had plenty of raffle and silent auction items for everyone, even non-fisher-persons. I will need a meal count for Gold Dust West by **Friday, November 9th**. If you are interested in joining the fun at our banquet, please call me at 775-230-3974, or email davdebkel@aol.com, and I will get you set up for an evening of food, fun and fellowship. Our venue is again the Gold Dust West in Carson City; the cost will be \$35.00 per person, for Prime Rib, Chicken Marsala or Salmon.

We are looking for members who will tie flies for the silent auction to donate to our banquet. If you have other items to donate for the silent auction or the raffle, it's not too late! Please contact Bill Hammons.

Hope to see you at our meeting this Tuesday, the 13th. Don't forget to bring 2 flies if you want to participate in the Fly-FFle. AND, hope to see you at our banquet!

David Conklin
