Volume 219 – June 2019

Gail and I spent a few days up at Frenchmen's this week and although the lake was not fishing well, Little Last Chance Creek was. We camped at the Chilcoot Campground right beside the creek and had a blast. Weather was perfect and temperatures were moderate. The only drawback was the firewood was not well seasoned... a lot of smoke.

Looks like we are well into the Sierra runoff as rivers are high and swift so be careful out there. The reports that I've been seeing have said that our area is running a month behind normal, mainly because of the cooler spring temps and the addition of snow at the higher elevations. Some of the higher lakes aren't even accessible yet. The monthly Fishout TBD at either the Walker River or Indian Creek Reservoir. We will decide at the June general meeting.

The Annual BBQ will be held at Dave's house on July 9th. We always have a great time so be sure to put this on your calendar.

Stan is planning his Fly Fishing Academy for July 12th to the 13th at the Carson City Sheriff's Office, Ormsby Room. If you know any aspiring Fly Fishermen, let them know about the Academy.

NOTE: We are in the midst of planning our annual club banquet. We are forming a committee to plan and make this annual event happen again this year. Bill Hammons has graciously taken on this task for many years now, and his wife Brenda has done a wonderful job of obtaining items for the raffle and the silent auction. Dave Conklin will be chairing the committee this year, and could use some help... Bill will tell you, it's a big undertaking, and the more help, the better. Please contact Dave at the meeting, or by phone 775-230-3975 if you can help.

May Fishout Report
Indian Creek Reservoir

We had our May Fishout at Indian Creek Reservoir, since Frenchman's was not looking promising weather-wise for our annual family campout. The weather kept most fly fishers away, but a few die-hards showed up. Ed was the winner, with 11 fish (must be that new boat!) Dave caught 7, John caught 3, and Ernie landed 5 or 6.

Upcoming Fish Outs/Club Events

**June 15 - Indian Creek or East Walker, TBD*

**July 9 - Family Barbeque*

**November 23 - Annual Banquet*

JUNE GENERAL MEETING

Don't miss our June regular meeting this week! Our speaker on the 11th will be Travis Hawks. Travis is a Fisheries Biologist with Nevada Department of Wildlife. He will be providing us with updates on local waters. Meeting time is at 7:00, but we will be there at 6:30 for pre-meeting social time, so come early.

Our JULY meeting will be at Dave and Debby Conklin's house, our annual family barbeque. Once again, the club will provide hot dogs, burgers and ribs, as well as condiments and non-alcoholic beverages/bottled water. If you would like to bring a dish to share, we suggest that A-L bring desserts, M-Z bring side dishes or chips. We are planning a white elephant sale. Bring any items you would like to sell. We will still have the Fly-fle, so bring 2 flies if you will be participating in that. Map to the Conklin's is included in this newsletter.
